Declaration of Conformity

in accordance with

EU directive „Machinery“ 89/392/EEC
EU directive 91/368/EEC, appendix IIb

We herewith declare in our own responsibility that the product:

Machine:	Pneumatic part-turn actuator in double or single-acting (spring-controlled) execution.
Series:	PE/PD
Type:	P 05, P 10, P 13, P 15, P 17, P 18, P 20, P 25, P 30, P 35, P 40, P 45, P 50, P 55, P 60, P 65, P 70 and P 75

has been developed, constructed and produced according to the below mentioned normative documents and is meeting all security and health protection requirements

- EN 292 „security of machines“
- EN 983 „technical security demands for fluid-technical installations and their pneumatic components“.

This declaration expires if the actuator is modified and if this modification is not coordinated with us.

Troisdorf, June 6th, 2008

Rolf Schneider, Director
